## **UNITS E & F The Alpha Centre, Totnes Industrial Estate, TOTNES, Devon TQ9 5JA**

**LOCATION:** The Alpha Centre is a modern industrial development with high profile tenants including Intoximeters Limited, Southfield Windows, Challices & SCP Building Products. The development is situated on the popular Totnes Industrial Estate, that lies off the A385, immediately north of Totnes town centre, and close to the junction with the A381 Kingsbridge / Newton Abbot roads

Totnes has become a popular retail location, attracting a large number of visitors and serving an extensive catchment in addition to its resident population of just over 6,000. The town is very conveniently situated as a gateway to the very attractive South Hams, and as a route linking the A38 with Torbay. The offices of South Hams District Council are situated on the outskirts of the town.

**DESCRIPTION:** A rare opportunity to acquire a double unit in this popular size range, that has not been on the market for a very long time. Currently occupied by Challices who are moving on, Units E & F offer approximately 1,880sq.ft (174.72sq.m) arranged over ground floor. The accommodation is currently configured as a warehouse but would equally suit as a light workshop, or a showroom / quasi retail use subject to the appropriate planning consents.

The units form a mid-terrace double unit, of steel portal frame construction with walls of facing brick-work and concrete block-work inner leaf under an insulated plastisol coated sheet roof (recently re-clad), incorporating roof lights providing good natural lighting. To the front elevation there are two roller shutter loading doors, pedestrian doors and windows. Internally there is an opening between both open plan units, one bay (Unit F) having a toilet and washing facilities. Outside there is a good-sized loading apron and ample car parking to the front of the property and with 4 allocated spaces adjacent. Access to articulated vehicles is satisfactory.

### **ACCOMMODATION:**

**Gross Internal Area:** 174.72sq.m 1,880sq.ft
